Report from the Chair

As previously advised to members it is with regret that Adrian Roach has had to step down as President due to work commitments. We thank Adrian for his efforts in leading the Club over the last few years and hope that once his work situation improves he'll be back. He will be continuing as Secretary of the Sports Club until the end of this year. The Committee is however please to announce that Mike Redmond has been appointed to fill this role until the next AGM, which will be held soon after the end of the season.

The Committee is also undertaking a review of the constitution, management structure, strategic plan and bye-laws to ensure the way we operate reflects current best practice and suits the way the Club works. A meeting will be held in the near future and all members are encouraged to come along and provide their input. The outcome of this review will be presented to the AGM.

The season is now past the half way mark with a number of the senior and junior teams well placed to contest the finals. Keep up the good work and let's win some flags this year!

The Under 18 City West Mariners

Over the June long weekend the State Zone and Junior Championships were held. Congratulations to the City West Mariners U18 boys' teams for winning their division and becoming state champions. Many thanks to the coaches, managers, parents and players for participating. From the Championships a number of players have been selected to participate in U18, U16, U15 and U13 state squads. Also, the SAPSASA carnival was held the last week of school term 2, with several Seacliff players being selected in the state under 12 team. Congratulations and well done on being selected.

The Club has also had a number of players in the AHL and U21 teams. The AHL will be completed in August, while the U21 men

finished up last week.

The social calendar still has a number of events to go, so please come along and support the social and fund-raising efforts of the Club.

Players are reminded that fees are well and truly due and it would appreciate for them to be paid as soon as possible.

Thank you to all the players, coaches, managers, umpires and committee members for your efforts so far this season. Let's continue to make this a great club!!

Go The Tigers!!!

Vice President-Men

Stevo's 400th

On the 11th of June 2010 Tim Stephenson reached a sporting milestone that few have achieved: He played his 400th Premier League match. Supported by his family and friends, Tim was given a guard of honour at the beginning of the game and was presented with a trophy by President, Adrian Roach to commemorate the occasion. The Seacliff Hockey Club would like to extend thanks to Port Ade-

laide Hockey Club who hosted a post match celebration in recognition of Tim's achievement.

Tim's accomplishment reflects the dedication and commitment that the whole Stephenson family has given the Hockey and Sports Clubs in a range of roles over many years. (Newest addition Lily is even a regular attendee at committee meetings!) On behalf of the Seacliff Hockey Club we would like to congratulate Stevo

on his milestone and thank him for his services to the club.

Club Apparel

Unfortunately we did not receive the numbers required to place an order for track suits or polo tops. If there is enough interest we will try placing another order at the beginning of the 2011 season. The track suits will be made of a light weight water proof material to the adjacent designs.

Orders for the club hoodies have been placed with the manufacturer and should arrive approximately the second week in August.

Strategic Directions

At our July committee meeting it was decided to form a new sub-committee which is entirely devoted to the task of looking at the future direction of our club. The charter for this new sub-committee will be to identify priorities from within our strategic business plan and to look at any alterations which may be required to be made

to our club's constitution.

It is envisaged that this sub-committee will have between 3 and 5 members and that this will be a mixture of committee and non-committee personnel.

If you are interested in learning more about our strategic business plan or you are interested in partic-

ipating in the new committee, please contact me via the secretary email address: secretary@shc.org.au.

State Junior Championships

Over the June long weekend the state junior championships were held. The U15's and U18's Seacliff players represented the Zone teams the Western Mariners – we had representatives in all teams. The U18 men (with 6 Seacliff Reps) won the zone champs on a penalty shoot out with City East.

The U13 State Championships were also held that weekend,

Seacliff put in a women's and men's team. Both teams had a great time and many of our younger players and first year players got to get a lot of hockey over the weekend.

The Under 9 Program

The Under 9 program starts again, first weekend back at school – numbers slipped a little towards the end of last term – lets see if all the U9's can come out and have some more fun in term 3.

Big thanks to our coaches – Brenton Carle, Jamie Krecu, Abby Ford and Harrison Lewis for their constant support of the kids.

Good luck to all in your trials and for those who make the teams – have a great time and do SA proud. I know there were many players who were close to making teams or squads, for those kids – keep trying...

It has been at least 20 years since the South Australian Under 21 Men have placed in the top four! Great effort guys!

Junior's Blacklight Rave Party

The Blacklight Rave Party was a huge hit with the juniors. Over forty Tiger cubs and their friends danced the night away at the club on Saturday 10th July. A big thank you to Lachy and Megan Cooper for providing the lights and music and to Nikki Searle and Marion Ford who kept the kids entertained

with games and competitions throughout the evening. Thanks to Penny Redmond who kept the crowd topped up with sugar (apologies to parents) and to Lisa Hill and David Newton for assisting throughout the night and with the clean up at the end. Good work

to everyone involved with running the first junior event of the year.

Golf Day

The Seacliff Social Committee is pleased to report the success of the events to date. The Golf Day, held in April at the Marion Golf Club brought out the best and worst in the members who participated; some took it too seriously, while others not enough. Despite the varied skill level among the competitors it was certainly an entertaining morning, which was

greatly assisted by the contents of the refreshment carts driven by Tim Kloeden, Nikki Searle and Marion Ford. With awards such as Longest

Drive(won by Cameron Hope), Closest to the Pin (won by Neil Ford,) and Best Dummy Spit (won by Sam Grover,) at stake everyone gave their best effort, however,

congratulations must go to The Glory Holes (Cameron Hope, Aleisha O'Malley, Sam Grover and Mark Heath) who took out the main trophy. Thank you to all who participated and special thanks to the organisers and helpers on the day.

Bad Taste Tasting Night

If you were upstairs at the Seacliff Hockey Club on the night of Saturday 26th of June, you would swear you had just walked onto a set from *The Castle*, plastic tablecloths, beer bottle vases containing fake flowers helped create a real "classy" feel. The Bad Taste Tasting Night brought out the creative-fashion side of the attendees who all made a huge effort to look their worst. The wine tasting provided by James Haselgrove was compli-

mented by Jane Redmond's fantastic catering and delicious cheese platters. The Beer tasting competition drew a lot of interest, eventually being taken out by the birthday boy Mark Heath, with Matt and Tim McGregor coming in a close second and third. The main prize of best

bad taste outfit was won by Brenton Carle, who paid homage to Australia's favourite crocodile hunter in very poor taste! Thank you to the Searles, the Fords and the Redmonds for all your efforts in organising the night.

Orders for wine can still be placed, with 10% of each bottle sold returned to the club. Contact Nikki Searle for an order form

Pubcrawl

The Tigers painted the town pink on the annual Seacliff Pub crawl, taking over the East End of the Adelaide CBD. The t shirts boasted built in name tags which provided a

canvas for the participants to express themselves, however, as some people found out, mixing permanent pens and pub crawls can be disastrous! The night concluded with no arrests, minor collateral

damage and only a few casualties - either as a result of too much preparation or simply not enough. Well done to Nikki Searle and Penny Redmond for organising a great night out.
